DETAILED ACTION

Allowable Subject Matter

Claims 7-10,12 and 14-22 are allowed. The following is an examiner's statement of reasons for allowance:

Independent claims 7 and 14 are allowed for reasons set forth in the previous Office Action. Claims 8-10, 12, 15-17 and 19-22 depend therefrom and are thus similarly allowed.

Newly added claim 18 is almost identical to claim 7 with the exception of the use of the limitation "implemented in one piece" (line 3 of claim 18) rather than the limitation "homogenous"(line 3 of claim 7). The examiner notes that "homogenous" is synonymous in scope to the limitation "one piece" such that newly added claim 18 is allowable for the same reasons set forth for claim 7 in the previous Office Action. Furthermore, the claim 18 term "implemented in" (line 3 of claim 18) renders the scope of claim 18 slightly narrower than that which is set forth in claim 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
